

## ENGINEERING CHANGE NOTICE

Date:	99.03.11			ECN #:	172																																																																		
Project No.:	P 350-567	Created By:	KE	Checked By:	<del>KE</del>																																																																		
Project Name:	Vertical Ref. Window	Approved By:	KE (proj. manager)	Approved By:	(management if req'd) N/A																																																																		
Description of Change:																																																																							
<p>D2115 revised to rev B.</p> <p>D2214 revised to rev B.</p> <p>D2125 revised to rev B.</p> <p>Released MDL-D350-567 rev A.</p> <p style="text-align: right;">} per TCA request</p> <p style="text-align: center;">* → No physical changes were made to parts</p>																																																																							
Notification/Acceptance		Affected ✓	Authorization																																																																				
QA		✓	TCA																																																																				
Production		N/A																																																																					
Planning		✓																																																																					
Marketing		N/A
